EXCERPT FROM D/FBIS DAILY LOG - 18 October 1974

2. Mr. Hugh W. Wolff of the Congressional Research Service of the Library of Congress having received Mr. Colby's letter and the Clark transcripts called L&R to ask for the Clark tapes. I informed Paul Walsh and together we went to see Mr. Colby who directed that we call Wolff and tell him that while we recognize our legal obligation to make the tapes available this is something we do not want to get in the middle of and will not produce the tapes until we have been assured that Clark has been told by Javits' staff that this service was being performed. OGC had meanwhile confirmed with the Department of Justice that we had no legal recourse but to produce the tapes. At the end of our discussion, Mr. Colby said that I should see to it that this doesn't happen again.

Paul Walsh called later to say that according to Wolff Javits will inform Clark what he is doing and will want the tapes on Monday morning. (cc: L&R)
